INDEPENDENT AUDITORS' REPORT

Board of Directors
The Genesis Fund

Report on the Financial Statements

We have audited the accompanying statements of financial position of The Genesis Fund (a nonprofit organization), which comprise the statement of financial position as of March 31, 2018 and 2017, and the related statements of activities and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, where due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Genesis Fund as of March 31, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

THE GENESIS FUND

NOTES TO FINANCIAL STATEMENTS MARCH 31, 2018 and 2017

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

The Genesis Fund is a critical link in the development of affordable housing and community facilities in Maine. Its mission is to bring together resources to create housing and other economic and social opportunities for underserved people and communities. The Genesis Fund, a certified Community Development Financial Institution (CDFI), is a statewide nonprofit organization that began in 1992.

The Genesis Fund provides innovative financing by soliciting low-interest loans from individuals, churches, corporations and foundations, and then re-lending the money to nonprofit organizations developing affordable housing and community facilities in underserved neighborhoods and needy communities. If requested, The Genesis Fund provides substantial technical assistance to the sponsors of capital projects that will create housing and community development opportunities.

Basis of Presentation

The Genesis Fund prepares its financial statements on the accrual basis of accounting. The Genesis Fund is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. The Genesis Fund had no temporarily or permanently restricted net assets as of March 31, 2018. Temporarily or permanently restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose restrictions.

Fixed Assets Acquisition

Fixed assets are stated at cost. Depreciation is provided by the straight-line method at rates which are designed to amortize the original cost of the assets over their estimated useful lives of twenty to thirty years for buildings and improvements, and three to ten years for computers, furniture, and equipment.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make certain estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Recognition of Interest Income

Interest income on the notes receivable is recognized on the accrual basis.

THE GENESIS FUND

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2018 and 2017

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Donated Services

A substantial number of the Board of Directors have made significant contributions of their time to the Organization. The value of this contributed time is not reflected in these financial statements since it is not susceptible to objective measurement or valuation.

NOTE 2 – CASH

The Genesis Fund maintains deposits at several financial institutions. The Federal Deposit Insurance Corporation insures accounts at each institution up to \$250,000. As of March 31, 2018, all deposits over \$250,000 were fully insured due to pledged securities that collateralize the deposits that exceed FDIC insurance.

NOTE 3 - ALLOWANCE FOR UNCOLLECTIBLE ACCOUNTS RECEIVABLE

The allowance for uncollectible accounts was estimated to be \$424,678 at March 31, 2018 and \$416,035 at March 31, 2017.

NOTE 4 - NOTES RECEIVABLE

At March 31, 2018 and 2017, the Genesis Fund had various notes receivable with interest rates between 3.5-7%. During fiscal year 2018 and 2017 no notes receivable were in default. The value of the notes receivable at March 31, 2018 and 2017 is below:

	<u>2018</u>	<u>2017</u>
Short-Term Portion	\$ 534,748	\$ 2,053,350
Long-Term Portion	<u>13,196,500</u>	<u>11,398,450</u>
	<u>\$ 13,731,248</u>	<u>\$13,451,800</u>

NOTE 5 - OTHER INVESTMENTS

During the 2000 fiscal year the organization received, as a contribution, seventy-five shares of Community Development Trust, Inc. (CDT). The shares had an estimated value of \$500, but are not publicly traded and therefore are not liquid and do not have a readily determinable fair market value.

NOTE 7 - RETIREMENT PLAN

The Genesis Fund has a 401(k) profit sharing plan. The 401(k) profit sharing plan covers all employees who have met age and service requirements. Elective deferrals are matched by the organization up to five percent of compensation. All contributions are 100% vested. The Plan also provides for discretionary employer profit sharing contributions. No discretionary contributions have been authorized or made. Retirement plan contributions for the year ended March 31, 2018 was \$18,980 and March 31, 2017 was \$13,563.

NOTE 8 - RELATED PARTIES

At March 31, 2018 the Genesis Fund had investment loans outstanding from various past and current directors. The notes carry interest at rates consistent with rates of similar loans with non-related parties and the organization.

NOTE 9 - INCOME TAXES

The Fund is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law.

The accounting standards on accounting for uncertainty in income taxes address the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Fund may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Fund and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from a tax position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. Management believes that there were no potential sources of unrelated business taxable income subject to tax for the years ended March 31, 2018 and 2017. Accordingly, no provision for income taxes has been made.

The Fund files its forms 990 in the U.S. federal jurisdiction and the office of the state's attorney general for the State of Maine. The Fund is generally no longer subject to examination by the Internal Revenue Service for years before 2011.
